W-
Wait! Estelle!
Let's go, Joshua!!
Huh?
ぎゅ!
All right!
We did it, right?!
Huh?
But I can't just leave it here!
It's dangerous!
Drop the ring, Estelle!
Now's not the time to hang around!
See?!
Hey, guys!
E-
Estelle!!
Let's get outta here!
ぴゅーっ

Tova!! Keep the monster busy for a bit!
I'll get Kai and the ring outta here!
-uh
Are you sure you should be carrying that with your bare hands?!
Of course!
Do you think I'd lose to a ring?!
No, but...
I meant...
...

Why is Estelle okay?
Then-
Are you tellin' me that she's so light-hearted, there's no trauma to play off of?
It backfired when the jaegers tried to use that power...
I guess...
What bound the victims was a system via the ring itself for controlling people and it would choose its next target for judgement...
An artifact that forces a human to see illusions based on the sins from their consciousness...

No...
Estelle, too,
Has had her fair share of regrets and pain in the past...
But...
Estelle...
She...
Can take those wounds from the past in her heart...
...and turn them into hopes for tomorrow.

Heh.
ぽむっ
See?
A cute girl is all it takes to cure a man's troubles.
Told ya.
Yeah... Looks like it.
Okay, now I'm angry.
.....
Damn, you're lucky!
T- Tovali
o- owl

I'm sorry...

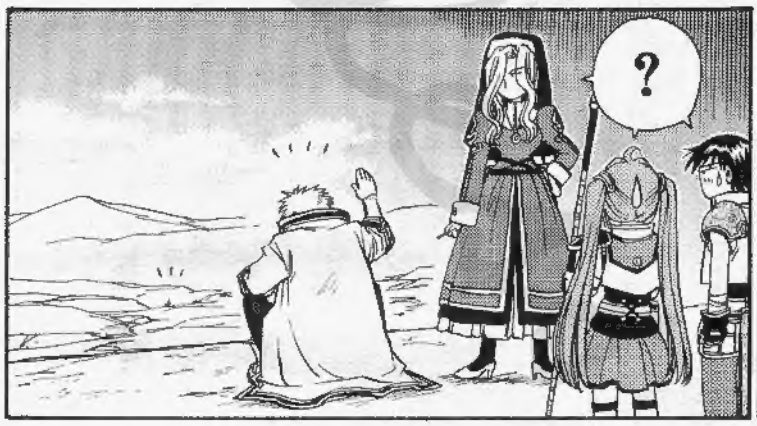
Tilia.
I'm really sorry...
If I were more grown up...
If I were stronger...
I might have been able to heal your sight...

S-stop that, Kai!
I'm fine, really!
But...
Tilia, at this rate...
You won't be able to read the books you love so much.
Yay! ♡
Of course.
Yeah...
If that happens...
You'll read them to me, right, Kai?
It's okay!
You helped close this case.
You should be able to get a reward.
It'd be nice if you were able to get enough to take her to a really good doctor.
.....
Who are you?

An ordinary, and lovely, sister.
Just who I appear to be.
ぷはぁ
Then why is a sister here?
L-
Lovely...?
After all, I have business with you, as well.
I don't need thanks.
I see.
Thank you, sister.
oh!
It's dangerous for a young child to be alone here, right?
?

Huh?
Well, we better head off.
Um-
Thank you, Estelle!
Joshua!
and Tova!!
Kai, Tilia- both of you take care!
Wait a sec, little miss...
Got a moment?
what?
EEK!
ひょい!!

I want you to look real close at this lady's face, okay?
?
?
?

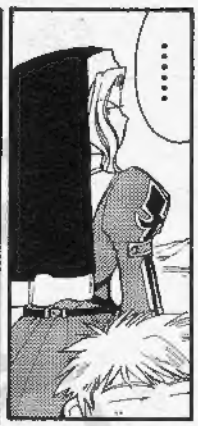


?

Y-yeah.
Well?
Do you see it?
All right!

I'd like for you to give it to me.

You two currently have an artifact...



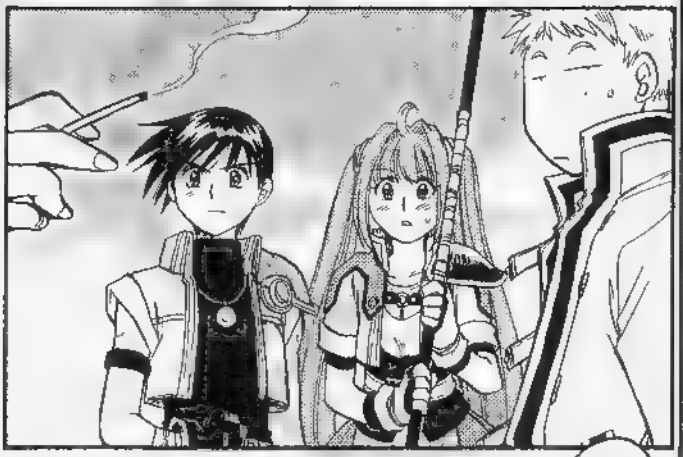
.....

Now,
let's get to the issue at hand.

H- how did you
It's still 'alive.'
I'm sure you can feel it
But, you're not an ordinary sister, are you?
Who the hell are you?!
Just like I'm also sure you're aware that the Septian Church is responsible for artifacts of power
There should be no problem with a sister like me taking care of it
She's a respected member of the Septian Church
Her name is Sister Ein

That's just one word too many
coming from a hack of a bracer that can only use arts.
h-hack?!
She's a bit 'off-kilter' but you can trust her
Mostly
Just do as she says
What?!
-and she's the one who hired us
ぱニん…
You've certainly
cleaned this mess up nicely

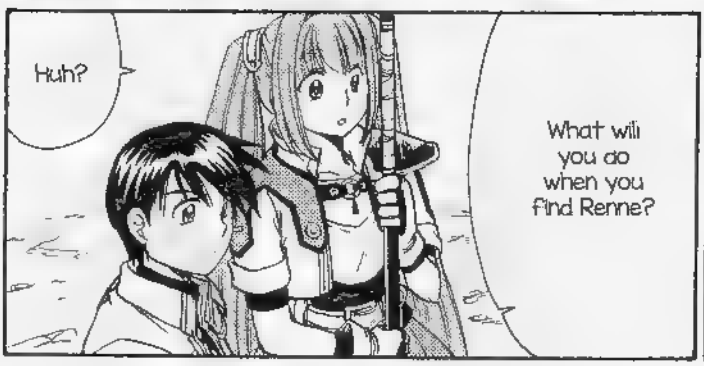
Sorry
The jaegers were victims in this, too
don't be too rough on them.
Not really...
There have been a lot of casualties.
And there may still be remnants of the jaegers in the base
Under-stood.
The church will handle it from here.
Esteile! Joshua!
Well, then.
Now that we have our contractor here.
.....
Please, give us the information that you offered!
As promised.
Sister Ein,
We've completed our mission.
About "Renne," you mean?
Very well...
Listen closely



Renne...
Did not return to the Society after the incident in Liberl

Yes.
This Intel is 100% true.
rejoice~ 喜べ
After all that work, that's all we get?!
Yeah.
えぇっ!?
whaddya say?!
Huh?
That's it?!
no way うそっ
YOU'RE AS DIRTY AS EVER...

Hana
no way... そんな
poor guys... かわいそうに
あーあ



Huh?
What will you do when you find Renne?

There's one thing I have to ask you.

But she still has the purity of a child,
which can make her more dangerous than the other
Her hands are stained with the blood of the victims she's slaughtered
Just as her name implies
Renne, the "Angel of Slaughter."
An Enforcer for Ouroboros
What in the world do you plan to do
after you find such an angelic demon?

We want to
welcome Renne into our family!
F-family?
Yeah!
Renne's still innocent like a child and she likes games like hide-and-seek.
So...
Just knowing that she hasn't returned to the Society is a huge step!
Thanks for the information, Sister Ein!

Of course!
We're gonna go through all of Erebonia if we have to!
What? You still plan on looking for Renne?
It's okay! We still got what we wanted!
We're back to square one again, though.
Haha!
Crossbell?
Is that where Renne is?
You should be headed to Crossbell State, instead!
If that's the case, you don't want Erebonia.

So, I'm sorry, but.
Yeah,
But it's only unconfirmed internal information.
I can only give it a 99.9% chance of being accurate, if that's alright
Crossbell, of course!!
We're leaving right away!!
We're heading out!
To Val!
Heading out? To where?

Do you think I can just sit around now?!
After so many months...
We finally found out where Renne went!
But Joshua!
We still have to report to the Bracer's Guild, and...
W- we can't leave now, Estelle!
Wha-?
はっはっはっ
In return, you better let me know once everything is settled, all right?
Toval!
It's fine! Go on!
I'll wrap up here.
You too, Sister!
Goodbye!!
Thank you for all of your help!
Yeah!!
Thanks, Toval!

Grand Master
Ein Selnate,
interesting
I never
thought they
would ever
say something
like that to me,
of all people
To call down
impossible
I had a
feeling that

And I can see that a certain sister hasn't changed at all
It sounds like they started to
Maybe not.
That was unusually kind
For the cold-hearted "Carnelia."

I think you're just imagining things.
Oh?
Toby.

01
I really wish you'd stop calling me that
An ideal artifact for the send-off on a new journey, don't you think?
The "Ring of Judgment"

[illegible]
of judgment
was given.
...to the trails
they've made,
and to the
trails they will
blaze from here
on out.

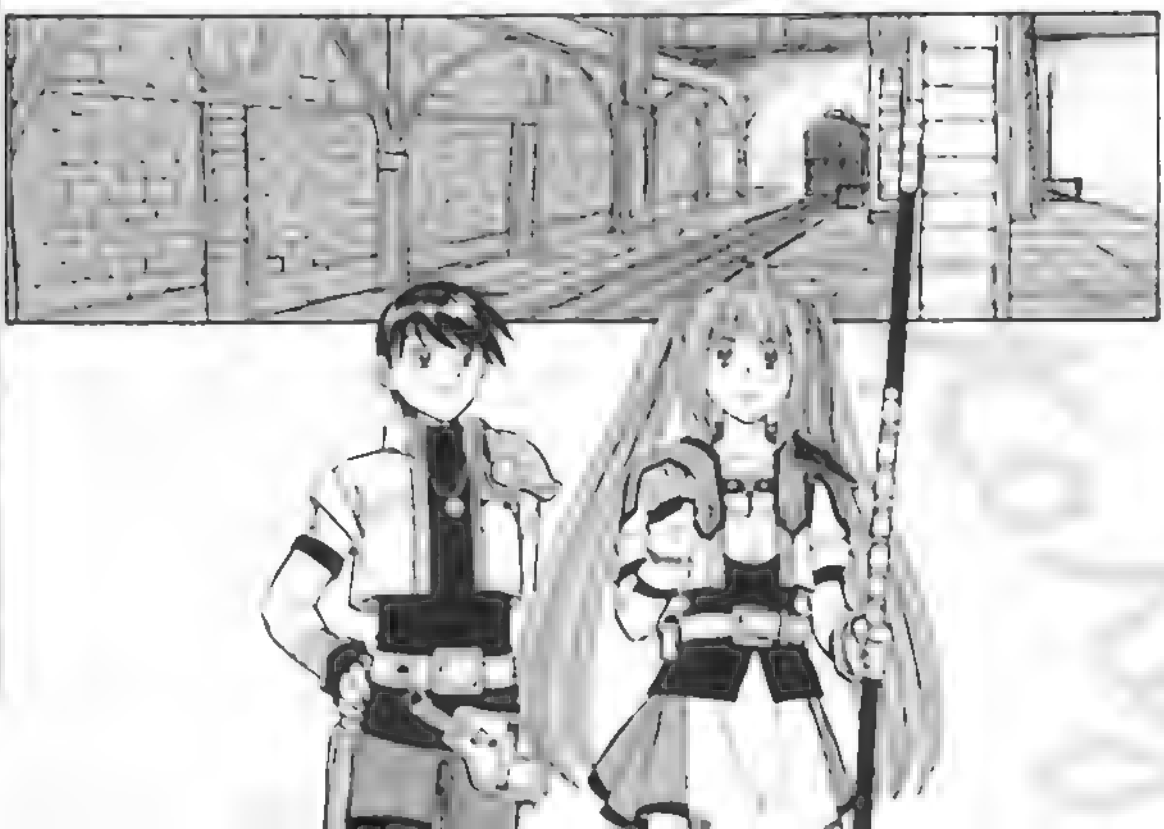
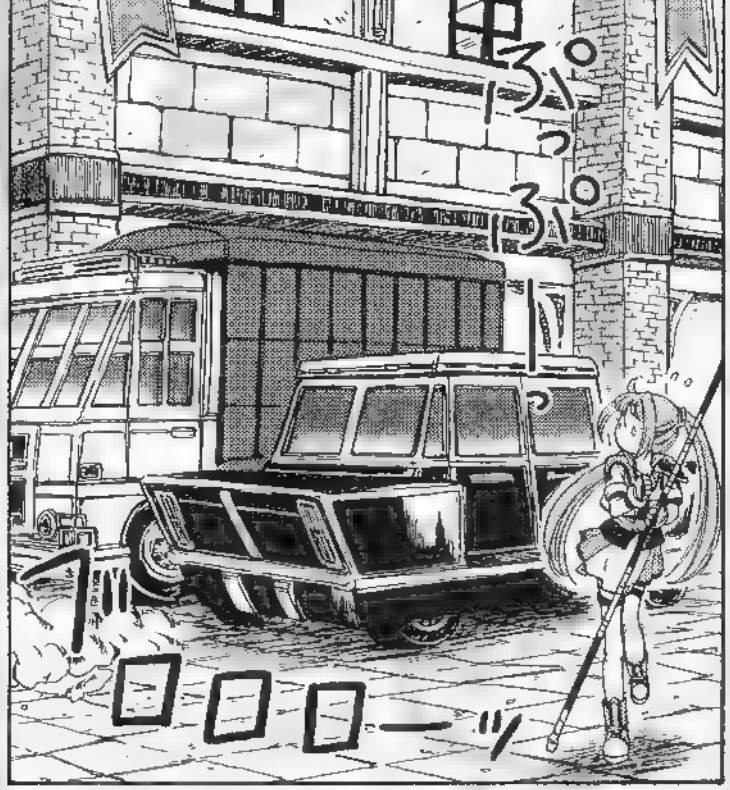
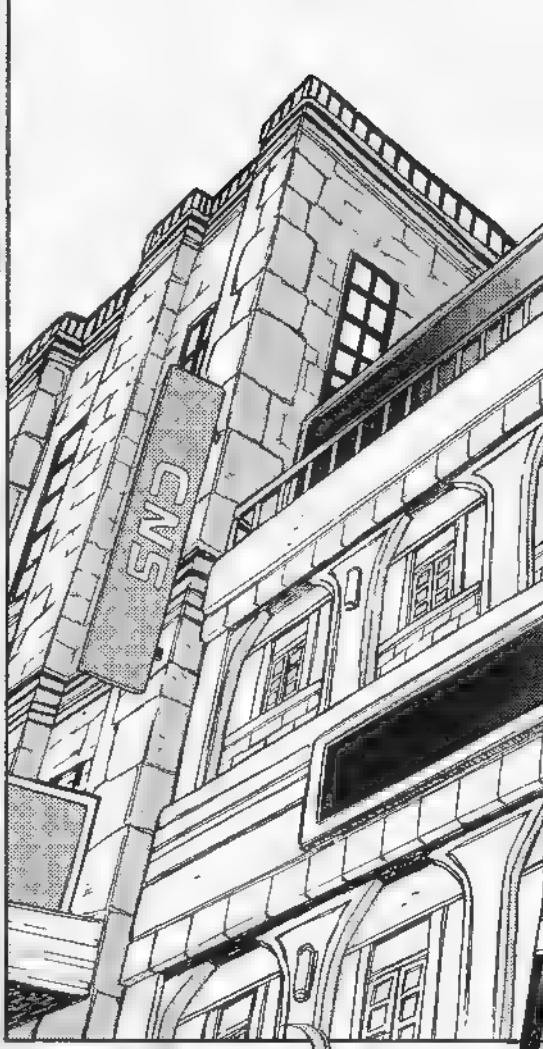
Sign: Bracers Guild

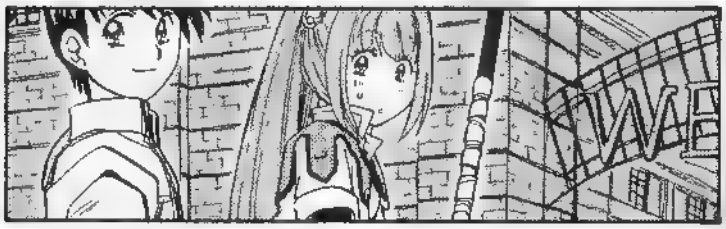
We are pleased to be officially associated with the Crossbell branch of the Bracers Guild!
You're leaving for work, Arios?
Yeah, just as you got here, too.

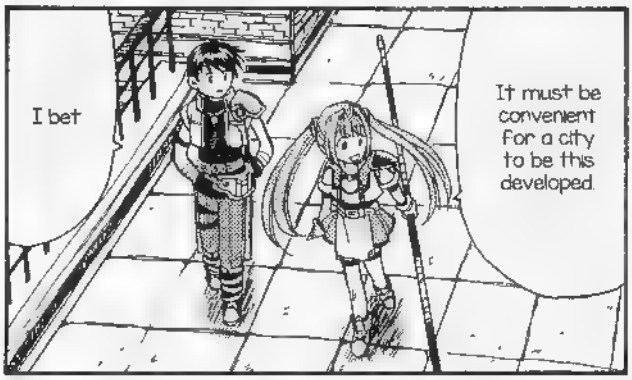


〒160-8326 新アスキー・メディアワークス 電撃G王編集部





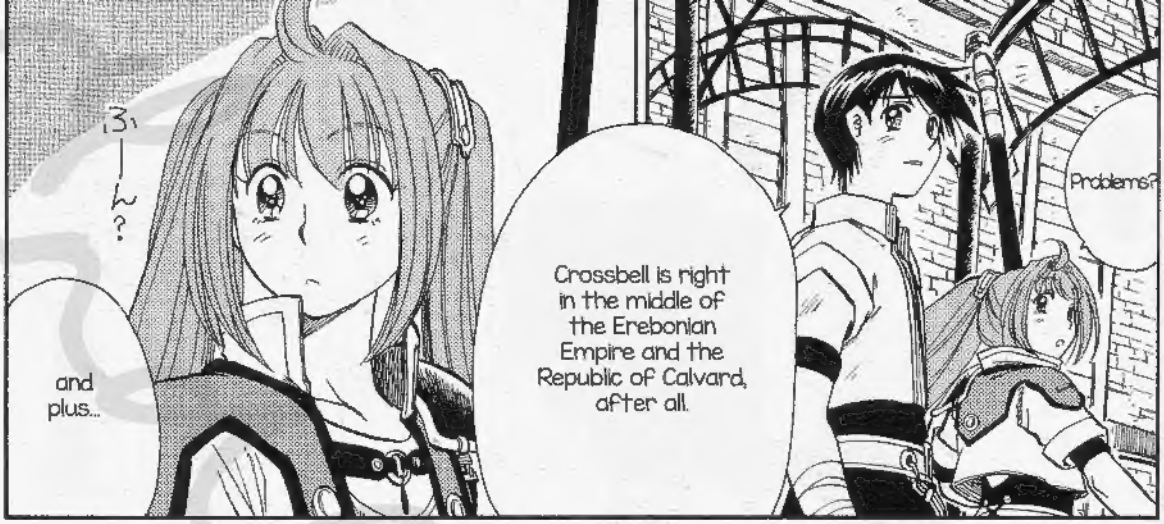




I bet
It must be convenient for a city to be this developed.

I bet there's lots of problems, too.
But by the same coin,

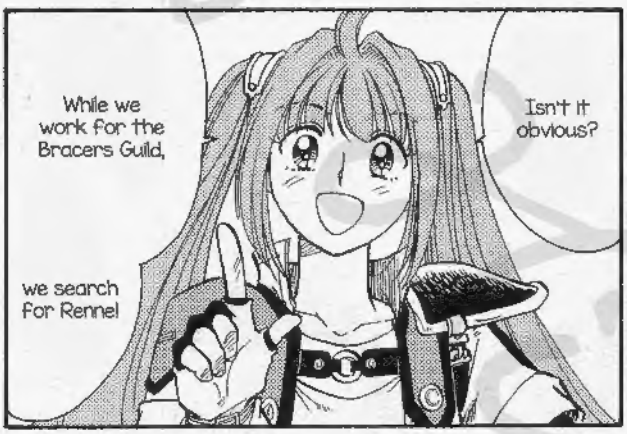
Crossbell is amazing no matter where you go.



Problems?
Crossbell is right in the middle of the Erebonian Empire and the Republic of Calvard, after all.
and plus...

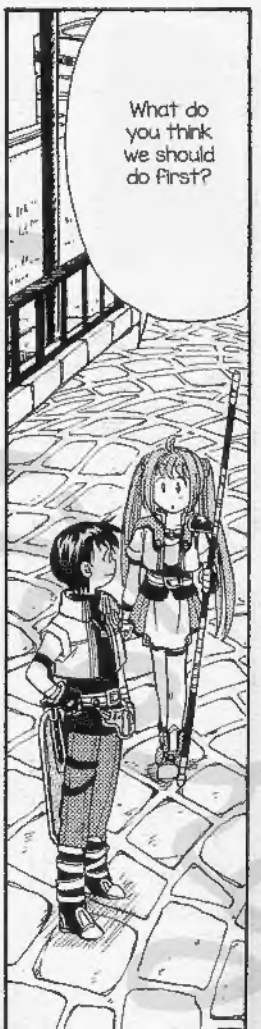
...well,
I'm sure you'll figure it out soon enough, Estelle.

Hey, let's check over there, Joshua!



While we work for the Bracers Guild,
Isn't it obvious?
we search for Renne!

We should check everywhere in the state, first...

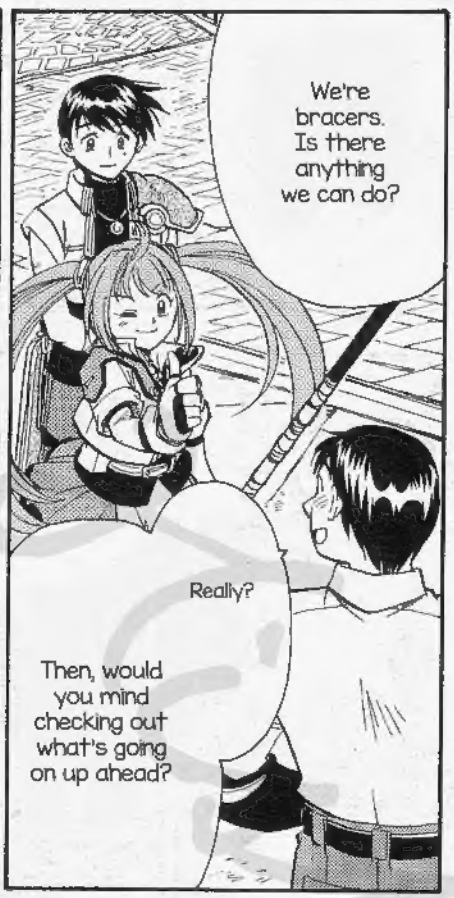


What do you think we should do first?

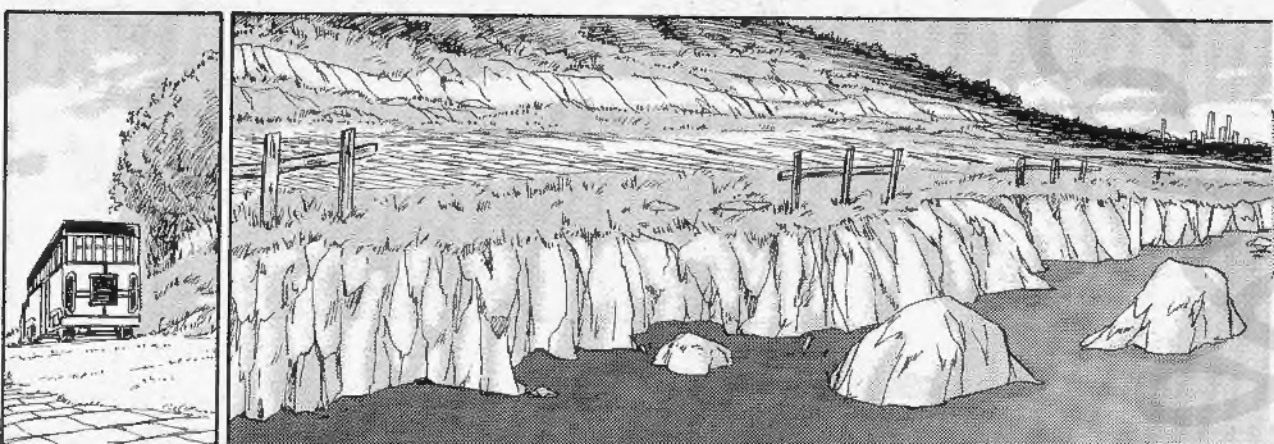
The communicator isn't working, either...
I wonder if there's been some kind of trouble...
That's weird...
the bus is late.

The Special Support Section with the police went ahead awhile ago, but...
I'm really glad you bracers are here.

Maybe the police won't be enough...?



We're bracers. Is there anything we can do?
Really?
Then, would you mind checking out what's going on up ahead?



Oh!
Is that the bus?
ぎょっ
Oh no!
They're being attacked by monsters!!
Estelle! Look over there!

But Joshua!
We can't just sit by and watch while people are in danger,
can we?!
I wonder if they're the police we heard about...
It might be unnecessary for us to help out, then...
Let's go, Joshua!
Okay, Estelle!
